Description

Visit with interesting ghosts of the season—or any time of year—and connect to the spirit and magic that dwells in all our souls at Christmastime. Look inside these curious and fashionable images to interpret your life path and make the best decisions, receive guidance from Christmas Angels, and determine your past, present, and future through this simple and effective divination tool. Keywords on the cards allow for quick intuitive thinking while viewing situations that reflect daily life. Discover a special channeled Christmas angel message for each card you choose, and learn about Christmas traditions shown on the cards. Whether a beginner or advanced reader, you will be able to navigate the paths of self-discovery through these personal Christmas Tarot interpretations.
