Description

How to Work with the Elemental World
Work magick with help from the little people

All over the world, people have reported encounters with a race of tiny people who are neither human nor deity. This book reclaims that lost, rich heritage of working with faery folk that our Pagan ancestors took for granted.

Edain McCoy teaches how to work with faeries in a mutually beneficial way. Practice rituals and spells in which faeries can participate, and discover tips to help facilitate faery contact. These capricious creatures can help with divination, past life recall, scrying, and spiritual quests. Also included is a dictionary of more than 230 faeries that include goblins, gnomes, elementals, seasonal faeries, and angels.
