Description

AboraMana, Goddess of Life, Love, and Beauty presents a deck of 89 cards and a handbook that explains the meaning of the cards and the system of the deck. This inspirational work was channeled through the artist by the Living Goddess in a cave on La Palma, Canary Islands, and later on Kapa'a Beach, Kaua'i, Hawaiian Islands. The deck may be used for both readubg and divining. It is a tool of self-discovery intended to help a woman to understand herself and her position in the male-dominated society of today.
