Description

Develop a deeper, more positive relationship with the animals in your life and become a better person using Animal Lessons. All around you, animals are acting as therapists, trainers, mentors, and gurus—if you pay attention. They want to guide you toward the next step in your personal evolution, and this first-of-its-kind book shows you how to understand and benefit from them.

Having worked deeply and intuitively with animals for nearly twenty years, Danielle MacKinnon has a wealth of wisdom that she shares through helpful tools and techniques, client stories, and her step-by-step process for personal growth through animal guidance. With an open heart and mind, you'll develop a new awareness and stronger love of yourself as well as the wise creatures in your life.
