### Description

Metatron is able to help with concerns in our lives, and these stunning 55 cards and guidebook address situations, challenges, and gifts that arise throughout life. The theme and message for each card in this deck were channeled through the Archangel, bringing forth an energy whose time is now and that will increase in importance as you travel through the years to come. On this path of self-mastery, you will explore color therapy, sacred geometry, the elements, and angelic wisdom as you learn to deepen your relationship with Metatron through readings that give a sense of enlightenment, peace, and expanded light.
