Description

Artist Timothy Lantz has skillfully woven together intriguing elements from mythology and mysticism to create a hauntingly beautiful tarot deck. Those who explore the Archeon Tarot will find layers of meaning in the cards' rich symbolism. While remaining faithful to the structure of traditional tarot, this modern deck offers unique perspectives and a contemporary appeal. For each card in this 78-card deck, Lantz's booklet offers a thoughtful quote leading into the interpretation, with an upright and inverted meaning given.

"Consider The Archeon Tarot a window into the mythology of one man's world, or at least how he imagines his world to be."
