Description

The author guides the reader through the history of tarot while reflecting upon fifteenth century Italy and the wonderful -- and sometimes humorous -- artwork that comprises this lavish deck.

Luigi Scapini created a deck that was rich in style and historical attributes, and here is a companion text worthy of partnership with his deck. Ronald Decker is an art historian and has written previous tarot books in collaboration with Sir Michael Dummett and Thierry Depaulis.

282 pp., B&W illus., pb
