Description

Written by one of the world's most popular contemporary astrologers, and filled with magnificent illustrations, it covers both traditional and modern forms in a way that beginners can easily understand. The zodiac, elements, qualities, polarities, planets, house, and aspects all receive detailed attention, along with advice on putting it all together and creating a chart. There's plenty of practical guidance for every aspect of life: on how to live in harmony with a particular zodiac partner, identify the career that fits an astrological personality, and use astrology to recognize health problems and find appropriate remedies.
