Description

The nighttime sky has inspired writers and astrologers alike to spin stories on the strands of starlight. Discover that inspiration for your own creative writing in *Astrology for Writers*, the essential guide to understanding the core concepts of astrology—the planets, signs, and houses—and discovering how they correspond to the elements of fiction.

Unleash your creativity with a wide range of ideas that help you add astrology to your writing practice. Learn how to use the planets for characters, the signs of the zodiac for plot and themes, and the houses of the horoscope for settings. Develop unique characters based on mythic archetypes, use astrological imagery and symbolism for your descriptions and dialogue, and put theory into practice with writing prompts and examples. Invite the gods and goddesses of astrology to enter your writing and share their stories through you.
