### Description

#### Behold the Mysteries of the Faery Beasts

Beyond the faery realms, all sorts of magical creatures lurk. This book explores the most fearsome beasts that have been known to meddle in human affairs. Renowned faery expert John T. Kruse reveals the secret lives of merfolk, mermaids, river sprites, kelpies, hags, banshees, and many more. These are not the fanciful faeries and kindly beings found in light entertainment. Instead, you will discover hobs, goblins, bogies, and daemon dogs—magical creatures that are more apt to terrify than to help. Beyond Faery shares the features, habits, and history of dozens of these otherworldly beasts, since learning their ways may be just what you need to survive an encounter of your own.
