Description

Oracle Cards: Butterfly Affirmations

Butterflies are creatures of hope. They remind you that struggles and endings are signs of something beautiful and new about to be born.

These cards contain affirmations to help you remember the courage and happiness within you. They inspire you to be wise, to be brave, to relax and to never give up on your dreams.

Simply relax, choose a card and read the message. It will be what you need to hear right now. Let these 44 butterflies bring hope, healing and happiness into your life today.
