### Description

The Tarot of Casanova combines the art of physical bodies, the intricate dance of seduction, the act of sex, the life of Casanova, and the setting of Venice to plumb the depths of the human mind and explore the complexities of life. Use these cards to explore the energy of intense love, erotic passion, and emotional intensity. With a soft art style that borders on the pastoral and the clever use of masks throughout the imagery, this deck causes us to question even further everything we think we know.

Contains explicit content.

The companion booklets for most Lo Scarabeo decks are in five languages: English, Spanish, French, Italian, and German.
