**Description**

This little chap is so useful — I barely know where to start! Being three legged should ensure no scorched surfaces. Just the right size to hold a votive and the lid makes an ideal snuffer. You can use this for charcoal & loose incense, or fill with water for scrying ~ sky's the limit! This

## Ritual Ware: Cauldron, 3" Cast Iron Pentacle with Lid

---

cauldron is adorned with a pentacle, and has a handle making it easy to move around with it during ritual or otherwise.

Stands 4" tall with the lid. 3" without the lid. Approximately 2.25" diameter space within. 3" length - 3.5" width.
