Description

The Celtic Shaman's Pack offers direct access to the inner cosmos of the Celts, enabling you to make contact with the powerful archetypes to be found there. This pack constitutes your "shaman's pouch"—your very own collection of items imbued with magical or mystical significance, offering a bridge between the world of the everyday and the world of unseen reality that is a part of every shaman's training.

The cards represent key aspects of the Celtic universe, providing you with a set of shamanic journey coordinates. By working with the images on a daily basis for divination and discovery, you will learn to journey on the visionary path and gain a heightened understanding of yourself as well as insight into your true-life direction.
