Description

Every card offers an I CHING TIP or luck to enhance your life and set you on course for happiness. The reader can ask the cards various questions from the best timing for a journey to the possible outcome of a business venture, and they will be answered.

Each individual card holds one personal or spiritual message. Includes an easy-to-follow guide book that gives the reader a detailed meaning of the card, plus tips on personal relationships, career and money and a Sharina Power tip.
