Description

The Chrysalis Tarot deck presents exquisitely drawn Otherworld characters and mythological archetypes. Both the Major and Minor Arcana feature beautifully illustrated scenes that inspire reflection and stimulate your psychic intuition and imagination.

This illustrated companion book to Chrysalis Tarot explores the spiritual journey of self-discovery and transformation that leads to higher consciousness. Part I examines the magic and energy of the Otherworld that guides you on this journey. Each of the five chapters focuses on a character from the Chrysalis Tarot illustrated with an original sketch by Holly Sierra. Toney Brooks relates tarot to other metaphysical concepts such as archetypes, healing, and chakra work. Part Two of this book expands on the interpretations given in the booklet for the 78 cards. Holly shares the inspirations for her Chrysalis Tarot artwork and presents black and white sketches for each card. Book includes a foreword by Tali Goodwin.
