Description

He reveals the most effective methods for space clearing, including divination and consciousness-shifting; explains how to form a relationship with your space as a spiritual entity; lays out a variety of purifying techniques including smudging, asperging, floorwashing, and visualization; and divulges many other ideas for protecting and blessing your environment. Peppereed with tales and anecdotes from his practice, Clearing Spaces is a toolkit in book form for having a happy home full of positive, productive vibes.
