Description

Botanical Name: Eugenia caryophyllata

Distillation Method: Steam distillation of the flower buds.

Clove Bud Essential Oil is nice in blends. The oil is warming and enhancing. It is also great for use in a diffuser, as a food flavorant, and in massage oil and lotion.

Magickal Uses: Banishes hostile and negative forces. Calms the stomach.

Scent Characteristics: Spicy, warming, slightly fruity and woody scent, reminiscent of true clove buds.

Warning: Keep out of reach of children. Highly concentrated, dilute properly before use. Keep away from eyes & mucous membranes.

Packaging: To preserve and maintain their beneficial properties for years, Starwest essential oils are packaged in light resistant, dark glass amber bottles. They are fitted with a dropper insert that allows a small amount of product to be dispensed, with a tamper-evident child-resistant lid. These elegant bottles are the perfect way to protect light-sensitive liquids like essential oils, because the dark amber glass helps prevent light degradation.

Storage: Best stored away from light and heat. If stored properly, essential oils will maintain their maximum beneficial properties for many years, with a minimum 5 year shelf life.
