Description

Handcrafted, Magickally Charged Incense Cones - Come To Me

Use to draw Passion and Re-ignite a Loving Relationship.

These quality incense cones are crafted using only the finest all-natural ingredients with painstaking attention to detail in the time-honored tradition of The Awareness Shop.

Burn during ritual, to honor deity, draw energy, deepen meditation or simply bring a wonderful aroma to your special place.

Light the tip of the cone and allow to burn for a few seconds before blowing out the flame and allowing to smolder.

CAUTION: Carelessness causes fire! Always use a suitable incense holder to catch the hot ashes & never leave a burning incense cone unattended

Contents - 10 Incense Cones (minimum)
