Description

Asandra, a professional Channel with an international clientele for over 27 years, provides easy-to-understand instructions for the fundamentals of channeling so that you, too, can contact your spirit guides. The book includes inspiring channeled essays about the soul-path and special key points, along with lessons on how to use the unique set of 24 Spirit Guidance Cards that will assist you in developing your own channeling skills. Whether you are a beginner or advanced student, Contact Your Spirit Guides and the Spirit Guidance Cards will help you develop a direct relationship with your Spirit Guides.
