Description

Dance has always been integral to the human experience. Principles of the Cosmic Dance are present in celebration, ritual, storytelling, philosophy, and more. The wisdom, connection, and inspiration that arise through sacred movement have found their way to you through the captivating artwork and empowering teachings of this dynamic oracle.

Engage with the dance of life, animate your soul, and partner with the undulating cadence of the world around you. Activate the cards to bring mindfulness and loving awareness to your entire body, and ask for insight into situations, challenges and relationships, or for general guidance. Each card message includes a simple exercise to help you harmonize with the healing, grace and beauty of the cosmic dance.

Set includes 44 Cards and 148-page guidebook.
