## Description

For those who are ready to delve even deeper into the meanings of the cards created by Lady Frieda Harris and Aleister Crowley, this handbook offers detailed analysis of the rich symbolism and the myriad correlations in the fields of astrology, art and music, mythology, Tree of Life, the Runes, elements, and other archetypal correspondences. For each card, the authors present insightful interpretations for four areas of life: general, consciousness, professional matters, and relationships. The Handbook also provides helpful instruction on using card spreads and concludes with a dictionary of tarot terms.
