### Description

Dragon Tarot draws upon the rich imagery of dragons in all their historical and mythological sources. Thus the Dragon Tarot represents the fulfillment of centuries of research into the mystic symbolism of dragons throughout the world. This radiant deck brings together the magic and myth from cultures as diverse as ancient Babylon, Egypt, and China, to the legends of King Arthur, St. George, and Siegfried. Following traditional tarot symbolism, the Dragon Tarot leads the journey into the realms of imagination and self-discovery.

**Peter Pracownik** is the forefront of the Visionary Art Movement. He created the artwork for the Imperial Dragon Oracle, The Hobbit Tarot, The Lord of the Rings Tarot & Card Game, and Woodland Wisdom Oracle Cards, all published by U.S. Games Systems, Inc. Imperial Dragon Oracle won a 2010 COVR award.

**Terry Donaldson** is the author of several books on tarot including the The Dragon Tarot and The Lord of the Rings Tarot.
