Description

While today the sun is often seen as a masculine divinity, for many cultures throughout history it was the ultimate symbol of feminine power and creation. Join author Stephanie Woodfield as she explores solar-goddess mythology from around the world and shows you how to work with this forgotten side of the Goddess in a modern spiritual system.

Drawing Down the Sun features fourteen different goddesses, and provides practical guidance for embracing their divine spirit through pathworking, rituals, and spellcraft. Learn how to bring abundance into your life with the Baltic goddess Saule. Call upon the Egyptian goddess Sekhmet for strength and courage. Draw upon the sun's healing energy with the Celtic Brighid. With invocations, spells, and incense recipes, as well as instructions for solar magick, meditations, and more, this comprehensive guide is perfect for connecting with the solar feminine.
