Description

Contemporary Korean artist Kwon Shina's imaginative style of artwork provides the reader with clever visual cues that capture the mood, nuances, and inner meanings of the cards. When you look at the Dog card, you will know in an instant this card portrays loyal friendship, not a threat. If you are learning Lenormand for the first time, this is a delightful deck to learn the core meanings. If you are already familiar with the Lenormand system, Kwon's dreamy images will inspire you to look at Lenormand in a whole new way. The 92-page booklet offers keywords, quotations and interpretations that help the reader understand the lively narrative interplay between the 36 cards. Dreaming Way Lenormand will allow you to do insightful readings that bring clarity to any situation, whether you are working with pairs of cards, the Grand Tableau or one of the starter spreads suggested in the instructions.
