Description

This votive cup is green and adorned with the elemental triangle for Earth. It's elemental, my dear Watson! These votive cups are beautifully colored to give a wonderful pop of color.

Our line of Votive Cups have been crafted to honor this wondrous mystery path that is full of learning & wonder. They are designed to bring honor and/or enhance your magick within your sacred space.

2 / 3

Our round glass cups are approximately 2.5" by 2.25" and can hold a tea light or votive sized candle.
