Description

Whether your demons are ancient spirits or demons of your own making, you must confront them in order to reclaim the power they have stolen. Guiding you through enchantments, demonic rituals, divine possession, necromancy, and occultus maleficum, this book helps you cultivate and explore your forsaken shadows.

When you peer behind the veil of comfort and face your most powerful fears, you can truly begin to refine and strengthen your own magical will. In Forbidden Mysteries of Faery Witchcraft, you will learn how to:

Summon primal underworld goddesses of the elemental powers

Walk the bone road and help trapped spirits cross over

Become a worthy vessel for divine possession

Perform as an oracle, speaking the wisdom of the gods on earth

Cast and break curses, the dark art of offensive magic

The powerful techniques of the Faery Tradition of Witchcraft await. Through these rituals, you will glimpse the secret inner workings of nature herself and open the doorway to unimagined sources of energy.
