The Qabalah is the ancient system of Hebrew mysticism that is the foundation of Western magical and esoteric studies. Its primary symbol is the Tree of Life, a diagram that can aid in the study of the nature of the Universe, the essence of God, and the human mind, spirit, and soul. A Garden of Pomegranates is the clearest introductory guide on this subject.

When Israel Regardie wrote A Garden of Pomegranates in 1932, he designed it to be a simple yet comprehensive guidebook outlining the complex system of the Qabalah and providing a key to its symbolism. Since then, it has achieved the status of a classic among texts on the Qabalah. The full annotations, critical commentary, and explanatory notes now make this book the ultimate single resource on the subject. The new material, including pathworkings, exercises, daily affirmations, rituals, meditations, and more, not only complement the original, full text
