Description

This luminous deck presents 79 ethereal beings, some frightening, and some friendly. Through the symbolism of tarot, they deliver their messages from beyond, shedding light on human experiences.

Ghosts and Spirits Tarot Deck follows the structure of traditional tarot with 22 Major Arcana cards and 56 Minor Arcana cards. Also included is a special bonus card for questions that require deeper reflection. Lisa Hunt's booklet provides a brief synopsis of the story associated with each card. The descriptions of the ghosts and spirits are based on extensive research as well as her own interpretations. She also provides divinatory meanings for upright readings and a special five-card spread called Realm of the Spirit.

Lisa Hunt is an internationally known, award-winning tarot artist. Among her most popular decks is *Fantastical Creatures Tarot* (published by U. S. Games Systems, Inc.) She has spent her life studying and sketching fairy tales, myths, legends and other fascinating subjects that have driven her muse. She also holds a M.A. in Interdisciplinary Studies with an emphasis on Jungian Psychology/Art & Drawing.
