Description

Detailed descriptions are given for over 50 crystals, from agate for grounding and nurturing your energy field and carnelian for promoting healthy sexual relationships to moonstone for connecting deeply to your feminine side, quartz for enhancing motivation and amplifying intention, and lapis lazuli for enhancing psychic gifts and awareness. Special features include distance healing with crystals, connecting your crystals and chakras, and creating a powerful healing crystal grid.

The Gift of Crystals will give you an enchanted kingdom of magic, energy, and healing—a beautiful opportunity to open your heart and let your spirit fly on a journey of transformation.
