Description

Learn the rules and laws of witchcraft, how to bend and shape your energy wisely, how to build a magickal altar and create a safe personal space for your magick circle—even the art of magickal dressing! Discover how to use timing to optimize your innate magickal powers by casting by the moon's cycles, the seasonal solstices, and the wheel of the year.

Detailed descriptions are given for over 50 different spells, including a Spell to Heal an Argument, a Dark Moon Bath Blend, a Self-Love Spell, and a Spell for Psychic Power, and instructions are provided on how to make a Love Potion Tea and Beltane Garland.

In The Gift of Spells you will discover a fascinating creed for personal fulfillment and happiness.
