Description

The deck is based on the kabbalistic Tree of Life, which is pictured on the card backs. The numbered Minor Arcana cards correspond to the ten spheres of the Tree of Life and the colors correspond to the suits. The deck follows the structure of the Thoth tarot system, and features keywords on the cards. Much of the imagery in the deck is drawn from passages in classical religious literature. The 48-page booklet explains the symbolism and the divinatory meanings of each card.
