About The Book

Turn to *The Goddess Companion* each day for a clearer insight into how the divine flows through your life. This spirit-nourishing collection of 366 authentic goddess prayers, invocations, chants, and songs was culled from dozens of diverse eras and cultures. Each ancient prayer rings out in clear language that maintains the sacred spirit of the originals.

- A different traditional prayer, invocation, or chant to the goddess for each day of the year
- Each is illuminated by readings about the ancient quote that offer rich material for reflection, inspiration, and bliss
- Multiple indices allow you to find information by goddess name, subject, or cultural origin
- Explore the goddess as envisioned by 68 different cultures throughout the ages—including the Americas, classical Greece and Rome, Asia, ancient Sumeria and Babylonia, Europe, the Middle East, and Africa
- Find prayers that encompass nearly 130 aspects of the goddess, from Aida Weydo and Amaterasu to White Buffalo Calf Woman and Zemyna
- Use the perpetual calendar to meditate upon one goddess prayer each day

The Goddess Companion does far more than simply give you meditations and prayers. The readings associated with each will give you incredible insights into a wide variety of cultures and, just as importantly, into your very nature. Written by one of the leaders of the contemporary goddess movement, *The Goddess Companion* will help you on your spiritual path to self-understanding.
