Description

**Botanical Name: Lavandula Officinalis**

Lavender is one of the most nostalgic fragrances, bringing scenes of childhood vividly to the mind. Lavender bushes shimmering against the blue sky, the bees blundering in and out among the flowers, stirring up the intense, sweet sensation. Lavender is much more than just pretty & calming. It is one of the most powerful remedies in the plant world, offering both physical and emotional relief for problems as varied as burns, migraines, insomnia, insect bites, skin problems, infections, stress and nervous tension.

The art & science of utilizing naturally extracted aromatic essences from plants to balance, harmonize and promote the health of body, mind & spirit. It seeks to unify physiological, psychological and spiritual processes to enhance the well being of an individual. Let us lead a life of harmony!

Caution: Keep out of the reach of children. Make sure that ashes fall on fireproof surfaces (Ash tray or incense stick holder). Not for human consumption. No Animal Testing & No Child Labor. Made in India.
