Goloka Natural Incense: Goloka Natural's - Dragon Blood

Description

The essence of Socotra Dragon Blood is used as a stimulant, abortifacient and carminative. The crimson red resin, was highly prized in the ancient world and is still used today because of the belief that it is the blood of the dragon. It is also used in rituals, magic, and alchemy. The spirit of Dragon's Blood Resin is dedicated as a cure-all. Known to Socris as 'emzolah' and referred by the ancients as 'cinnabar', it was well known in trade before 60AD. The tree is best known for the red resin it is named after.

Goloka Popular Series are 100% Masala Incenses with Pure & Natural Ingredients. Traditional Indian Incense with time tested Ayurveda's knowledge.

Caution: Keep out of the reach of children. Make sure that ashes fall on fireproof surfaces (Ash tray or incense stick holder). Not for human consumption. No Animal Testing & No Child Labor. Made in India.
