## Description

The essence of California White Sage is sourced from the high desert of California. White Sage is considered a sacred, cleansing, purifying and protective plant. These incense release a refreshing, cleansing scent. Traditionally used by Native Americans to ward off evil spirits and negative energies, also used in ceremonies to seek blessings of health, prosperity, and to encourage protection. The spirit of White Sage is dedicated to offering protection, blessings, and clearing.

Goloka Popular Series are 100% Masala Incenses with Pure & Natural Ingredients. Traditional Indian Incense with time tested Ayurveda's knowledge.

Caution: Keep out of the reach of children. Make sure that ashes fall on fireproof surfaces (Ash tray or incense stick holder). Not for human consumption. No Animal Testing & No Child Labor. Made in India.
