Description

Tarot is a tool for holistic healing of the entire person: spirit, mind, emotions, and body. Here find a spiritual study of what each Tarot card imparts about health from Astrological, Qabalistic, Archetypal, and Traditional perspectives. 78 whimsical line art illustrations focus upon the lessons Tarot offers about health, diet, fitness, and wellness – with an emphasis upon bringing balance to the body/mind/spirit connection. A comprehensive companion guide details upright and reversed meanings for each card inviting readers of any experience level to accurately perform wellness readings for themselves or others.
