Description

Transform your life with a little help from nature! Working in harmony with the earth's energy is the heart of the free-spirited, simple garden magick known as HedgeWitchery. This guidebook from the immensely popular Silver RavenWolf has everything a new HedgeWitch needs to connect in a personal way with nature's creative, life-affirming energy and use it in magick and spellwork.

HedgeWitch features a fourteen-lesson, hands-on guide that you complete at your own pace, interacting with different aspects of nature in simple yet life-changing ways. The fourteen rituals, which can be done alone or with a group, culminate in an inspiring dedication ceremony.

Along with a wealth of helpful hints on using HedgeWitch magick for love, health, and beauty, this guide presents tips and recipes for soap making, tea-leaf reading, butterfly garden magick, organically growing your own herbs, and a variety of other ways to use HedgeWitchery in your hearth, home, and garden.
