Description

Black Magic: A scent of magic, musk, forest, amber, flowers and a touch of spice.

HEM incense sticks are handcrafted to diffuse a mesmerizing fragrance that lingers longer and leaves you spellbound with its purity. They create a perfect setting for any religious function or rite and can also be used to home for its fragrance. They act as a perfect companion during meditation or a quiet reflection.

Incense & Accessories: HEM Incense Wands - Black Magic

The natural blends of ingredients blended together in precise proportions release fragrance that leaves everyone feeling calm and relaxed. Incense sticks also act as organic disinfectants that drive away insects. They can be used for everyday purpose at your homes, offices, shops, during daily prayer, meditation or yoga, or during auspicious occasions to spread fragrance, diffuse unpleasant odors and purify the air around.

20 sticks per package.
