Description

This earthy, mystical deck of 48 oracle cards will help you learn about herbal medicine and unlock answers to life's many questions. Meet the plant spirits and explore their connections to your personal healing journey. Each card features a stunning, visionary depiction of a medicinal plant that will speak to you on a symbolic level to convey the true, archetypal essence of the plant. From the detailed guidebook, you'll discover how the plant spirits provide deep guidance and wisdom for your life, while also discovering the medicinal uses and metaphysical qualities of each plant. Enjoy learning about therapeutic herbs, roots, flowers, and trees in this easy divination deck perfect for novices as well as seasoned readers. See how plant spirit and herbal healing can change your life!
