### Description

Already established in the national health care systems of England, France, and the Netherlands, homeopathic treatments are used by over five hundred million people worldwide. Alan Schmukler's Homeopathy discusses the history and science of this alternative medicine and provides a comprehensive list of proven remedies-safe for people and animals.

Packed with homeopathic treatments for arthritis, colds, food poisoning, insomnia, Lyme disease, morning sickness, wounds, and a host of other ailments and injuries, this handy reference guide also includes information on homeopathic immunization and first aid. Schmukler gives helpful instructions for matching remedies with symptoms, ingesting them correctly, making remedies at home, and stretching your supply.
