Description

This powerful tool brings together the left and right sides of the brain and acts as an antenna, helping you tune into your intuition and pick up on energies and vibrations emitted by people,

objects, and places.

Crammed with practical exercises, dowsing charts, and maps, all accompanied by easy-to-follow instructions, this pack includes everything you need to get started. Follow the simple exercises to discover how to interpret the movements of the pendulum and your yes and no responses; then begin to experiment with a whole host of applications. Answer questions, make decisions, predict events, find your perfect partner or job, locate lost objects, search for missing people or pets, uncover hidden treasure or archaeological remains, detect water, dowse over maps, improve health, balance chakras, and more! Whether using your pendulum just for fun or as a tool to seek guidance in your life, you'll be amazed at the results.

This unique kit includes a 160-page book, fold-out dowsing charts, and a genuine pendulum with a metal chain.
