Description

78 beautiful Tarot cards are widely analyzed showing past, present, future, obstacles, final results, and other important divination symbols to help the reader understand practical solutions to their everyday questions and situations. An accurate and methodic companion guide brings those interested in the Kabbalistic discipline for the first time into the fold by linking Tarot's key elements to the Tree of life and 22 Hebrew letters, thereby getting in touch with the archetypes contained in every single trump card. Develop your own body, soul, and spirit via the creative spreads included. Includes a Tree of Life Map. For both the novice and experienced reader.
