A Kitchen Witch's Cookbook combines delicious and easy-to-make recipes that span the globe and the centuries. You can use these wonderful dishes for any occasion. You can use a different recipe almost every day of the year and not repeat.

More than a listing of recipes, A Kitchen Witch's Cookbook enables you to use the foods you make to nurture your own magical goals or one provided in the book. Each ingredient's essential magical nature has been carefully considered and combined for a purpose. Here you will discover that apples are good to encourage peace, love, health, and earth magic, while apricots are ideal for romance. Brussels sprouts help in matters of endurance, tenacity, and stability, while horseradish can be used for protection or fiery energy. Over 110 foods are described, from alfalfa sprouts to yogurt.

Every chapter includes some of the tastiest foods you've ever experienced, including:

- Amuletic Appetizers

- Divine Desserts
- Mystical Meats
- Spellbound Salads
- Visionary Veggies
- Mystical and magical lore peppered throughout this book includes how your kitchen utensils are magical tools.
