Description

Her watercolor images of animals, deities, gems, and symbols provide a visual means of connecting with the ancient teachings of yoga, beyond the familiar physical poses and breath work. Land Sky Oracle includes 49 cards, a pull-out guide to the Eight Limbs of Yoga, and a 60-page guidebook with messages, keywords, focus work, yoga sutra, and affirmations for each card, providing practical ways to incorporate ancient yoga wisdom into our daily lives.
