Description

Reading the cards can be as easy as reading this sentence.

Welcome to a world of tarot you couldn't have imagined until now—a world in which you can give accurate and insightful tarot readings with little or no guesswork while also developing your psychic ability. This revolutionary guide, written by a tarot master with more than thirty years of experience, teaches a simple, proven system that makes reading cards in a spread as straightforward as reading words on a page.

The Language of Tarot presents an innovative system that treats tarot as a science. It can be taught and learned. Jeannie Reed discovered that when the same two or three cards appear together, it usually represents the same issue in any client's life. This remarkable book translates many card combinations and supplies examples to support each lesson. You can be more creative and confident with card meanings as you uncover how they relate to matters of health, money, relationships, and more. With Jeannie's guidance, it's easy to become fluent in the language of tarot.
