Description

Patricia Crowther lifts the lid off the cauldron and reveals the truth about Witchcraft, sharing its history and the methods and theory behind magic and self-initiation. Included here are spells, chants, prayers, divination methods, information on ancient symbols, the effects of sonics, cosmic tides, and the workings of planetary rituals. She discusses how the collective unconscious reflects the reasoning behind the performance of certain ancient folk rituals such as dancing, singing and the acting out of legends.
