This is the ultimate angel health reference book. The premise here is that we are not alone. Each of us has access to divine healing and guidance from the first responders of the heavenly realm: the angels. This is a book that explains how to tap into the healing power of angels and how angel power can help overcome specific ailments and expand consciousness.

Also included here are over 25 "personal angel cures" that help readers overcome real-life challenges. The cures include meditations, visualizations, prayers, and specific action plans.

The book is organized into three sections:

Access angel power: tips and tools for connecting with the angelic realm

Your personal angel cures: an entire range of angelic healing modalities and blessings as well as 27 specific angel prescriptions for healing a wide range of ailments

How to make angels an integral part of your daily life
