Description

An essential companion to the bestselling Llewellyn's Moon Sign Book, this weekly planner features full-moon lore, tips for gardening by the moon, retrogrades, void-of-course, equinoxes, and solstices—everything you need to plan a successful future. With plenty of space to write in appointments and tips on the best days for special events, simple tasks, and outdoors activities like fishing and gardening, this datebook is the perfect resource for making the most of the natural energies of the moon.

Lay-flat design with calendar spreads makes it easy to write in appointments and special events

Includes moon phases and void-of-course times, equinoxes, solstices, and Mercury retrogrades

Auspicious dates for important events and tips for gardening by the moon
