Magical pathworking is the powerful process of using specific guided meditations to explore the unlimited spiritual energies that form the contours of our lives. This book guides you through a journey of unique pathworkings based on archetypal themes and helps you develop your inner work space with initial pathworkings that explore the influence of earth, air, fire, water and quintessence. Immerse yourself in thirteen additional pathworkings that bring your inner landscape into the light so that you can move forward with a deeper connection to the magic within you.
